Elyria Historical Hunt!

It's educational and fun at the same time!

Our Website!

We are from Elyria Girl Scout Troop 50889 and the website above is our silver award project. It is based on Elyria and it's historical landmarks.
We created a scavenger hunt that will take you all over Elyria and teach you about its history. You can visit all the places in person, or view them virtually at the website above. There is a printable checklist listing each landmark so you can check off each place as you visit it. There is a printable page for each land mark that you can take with you on the visit if you wish. If you complete the checklist, visiting all the places, then you can print out a certificate of completion at the end. We hope you enjoy learning about Elyria's history and have fun while doing it! You can also find us on Tumblr and Facebook!
